CAPITAL CAMPAIGN

Paul Stratman gave the Council an update on the progress and timeline of the Capital Campaign project. Pace Construction has been hired as the General Contractor. Paul said they have done work for the Archdiocese in the past. Their bid was \$4.4 million. With all of the things necessary to finish the project the projected cost of this phase is \$5,933,754. This number includes the payments already made to the architect.

The Finance Council has already approved the plan to borrow \$3 million dollars from the Archdiocese over a ten year term.

To move forward Father requested a vote of the Parish Council members to approve:

1. That the Parish enter into contract with Pace Construction as chosen by the Building Committee.

2. That the Parish borrow \$3 million dollars from Archdiocese as was approved by the Parish Finance Committee.

Parish Council voted to approved both decisions.
