Pastor's Report

Meeting moved into Executive session for the first item discussed.

Construction issues: In the Atrium there was a sewer line that had separated and needed to be repaired. This was not a known issue when the project was being designed. It was fortunate to be discovered when it was. The floor had to be dug up, the pipe repaired and the floor put back down. The work is complete and the terrazzo floor was repaired and looks very good.

Father Sánchez requested that Administration Committee send a member to Parish Council meetings.

Meeting adjourned at 7:00pm

Next Meeting: February 24, 2025 at 6pm. There will be no December 2025 or January 2026 Parish Council meetings.
